

## Cab-a-Bag - HOW DOES IT WORK?

The Ceredigion Coast Path is some 62 miles (98 km) in length.

Walkers are advised of the details for the following sections into which the path is commonly sub-divided:

	Miles	Km
Ynyslas to Aberystwyth	11.7	18.7
Aberystwyth to Llanrhystud	10.6	15.7
Llanrhystud to Aberaeron	7.4	11.9
Aberaeron to New Quay	6.5	10.5
New Quay to Llangrannog	9.4	15.0
Llangrannog to Aberporth	4.8	7.7
Aberporth to Cardigan	11.7	18.7

### Walkers should:

- Book the sequence of accommodation required
- Use the chart overleaf to ascertain the most appropriate participating Cab-a-Bag taxi companies to use
- Contact the appropriate taxi companies to book the luggage transfers required and arrange payment

### TERMS AND CONDITIONS

#### The customer is responsible for:

- 1.1 Selecting a listed Cab-a-Bag taxi operator and making arrangements for the luggage to be collected from a certain location at a certain time and to be delivered to a specified destination by an agreed time.
- 1.2 Making the arrangements for payment, in accordance with Section 3 below.
- 1.3 Making the destination establishment aware of the arrival of the luggage and the method of payment agreed with the taxi company.

#### 2.0 COST

- 2.1 Luggage transfer will be charged at a rate of no more than the currently applicable Ceredigion County Council agreed tariffs. In 2009-10 the rate is normally £1.50 per mile. The meter will be set on collection and charged according to the display at delivery, as per a normal fare.
- 2.2 Walkers might cover some 10 miles per day, depending on the coastal path section involved. An average pick-up and delivery might therefore cost in the region of £11.00 depending on the local road network and the location of the pick-up and delivery points.

### 3.0 PAYMENT

- 3.1 The customer is responsible for arranging payment for the luggage forwarding service. The method of payment will depend on how the service is booked
- 3.2 If the service is booked directly with the taxi company in advance of the customer arriving in Ceredigion then payment could also be made in advance.
- 3.3 If the service is being booked and paid for by an accommodation provider, on behalf of the customer, then it is the responsibility of the accommodation provider to obtain reimbursement from the customer.
- 3.4 If the taxi arrives at the collection point before the customer departs, and the fare is known, the customer could pay the taxi on collection of the luggage.
- 3.5 The customer can make an arrangement with the destination accommodation to pay the taxi for the service on receipt of the luggage and then reimburse the destination accommodation when paying the account for the stay.

### 4.0 SPECIAL CONDITIONS

- 4.1 The customer will ensure that luggage is within acceptable weight limits not exceeding 25 kilos per unit of luggage.
- 4.2 The customer will clearly explain to the taxi firm the number of items of luggage involved.
- 4.3 Extra charges may be levied for excessively bulky or heavy luggage.

### CEREDIGION's Cab-a-Bag Scheme:

**Ceredigion's Cab-a-Bag scheme has been designed to assist people walking the Ceredigion Coast Path to arrange forwarding of their luggage from one accommodation base to the next.**

Coast Path Walkers may plan to arrive by public transport and can use the Cab-a-Bag facility to pre-book a transfer from the arrival point to their first accommodation provider and, from then on, use the service to pass luggage ahead. Customers may pre-book the Cab-a-Bag service before arrival in Ceredigion.

All the accommodation bases participating in the scheme are graded by the Welsh Assembly Government's Visit Wales service and participate in the Visit Wales "Walkers are Welcome" scheme.

All of the taxi firms participating in the scheme are licensed by Ceredigion County Council.
